

Have you ever thought about being an Altar Server?

Altar Servers play an important role in our Sunday worship. These young people assist our priest during Holy Mass. All children who have received the sacraments of Confirmation and First Holy Eucharist are eligible for this ministry. So, if you would like to take part in this ministry, please fill out the form and bring it to the **Altar Server Workshop that we are hosting on Wednesday, September 13 at 5:30pm in the Church.** The workshop will be approximately an hour and a half long and will include pizza for supper following the training. If you already serve in this ministry, we would love for you to attend the workshop to help with the new servers and then join us for pizza because you are so awesome!! If you would like more information, please contact me at the Parish Office (306-634-2190) or on her cell phone (306-421-8447).

We also have some exciting events coming up for our Altar Servers. The first is a Parish Christmas Party. We will have Christmas games, a pizza supper and more! There will also be a lottery with amazing prizes that the young people can enter by collecting tickets from Father Thuy. One ticket will be given to each child when they attend Holy Mass, one ticket will be given to the children who can answer one of Father Thuy's questions, and two tickets will be given to children who serve in a ministry during Holy Mass. These ministries include altar servers, choir members, hospitality ministers, etc. So join us for Holy Mass and save up your tickets to enter the lottery at the Christmas Party!

We are also hosting an Altar Server Appreciation Party in the summer. This will be an excursion to either the lake to do some boating or to Regina for an adventure there. Altar servers are so important and we want to make sure they all know how incredible they are and also thank their families for helping them be a part of this ministry. More details about this appreciation day will be sent out closer to the summer.

See you at the Workshop!
